Digital lending platform significant step: Reliance Commercial

Mumbai,

Launching digital lending platform for two-wheeler loans is a major step taken by Reliance Commercial Finance Ltd in retail lending segment while the rebalancing of the portfolio is progressing well, a top company official said on Wednesday. "We have made strong progress in Q2 beginning with re-balancing the portfolio in line with our long-term strategy. We continue to see good traction in SME loan growth. Launch of digital lending platform for two wheeler loans is a significant step in our retail lending foray," Devang Mody, Executive Director and CEO, Reliance Commercial Finance, was quoted as saying in a statement.
